

Le Grand Noir

Le Grand Noir Sauvignon Blanc 187ml

White Dry

French, white dry wine made and bottled in the country of its origin. The Cathars who lived in the region of Languedoc viewed black sheep as the ideal and model of beauty. To their honour French winemakers made this splendid dry wine Le Grand Noir from the Languedoc Sauvignon Blanc variety grapes delicately nuanced by Marsanne variety. Incredibly brisk and fresh, it will delight you with its citrus aroma and herbal accents. At its best when served chilled to accompany all sorts of poultry-based foods, fish, seafood and light salads.
