

Black Doktor

Black Doktor Cabernet Sauvignon Merlot

Red Semisweet

This wine originates from the region of Etuliai and is made from the Cabernet Sauvignon and Merlot varieties grapes. It is famous for its numerous healing properties which result from its high polyphenol levels. Polyphenols are antioxidants which slow down the aging process in cells and speed up their regeneration. The dark red, deep colour will decorate your glass while its full, well-balanced taste with distinctive notes of ripe, red fruits will delicately crown your tasting. The blend of Merlot and Cabernet Sauvignon varieties makes it a truly surprising experience. Its original, fruity taste will perfectly pair all sorts of desserts, fruit and beef-based dishes.
