White Semisweet

This is a white, semi-sweet wine made from the blend of Chardonnay, Moscatel and Alvarinho varieties with the native Portuguese varieties of Fernao Pires and Arinto. Its bouquet is filled with sweet and fruity notes touched by distinctive flavours of citrus fruit. Well-balanced and drinkable. Perfect everyday wine to enjoy on its own or to accompany all sorts of spicy foods, fish, salads, pastas, and cheese. Serve at 10-12°C. Our small bottle format will come handy during picnics, open-air outings or lunch breaks.
