

Aurvin

Aurvin Premium Quality Pinot Noir

Red Semisweet

This is a velvety and round, red, semi-sweet wine made from the carefully selected Pinot Noir variety grapes grown within the vineyards of southern Moldova in the Vulcanesti region. Incredibly harmonious, it is characterized by its rich bouquet that brims with berry flavours. When served at 16-18°C it will brighten up the taste of all sorts of dark chocolate-based desserts, ice cream and fruit salads.
