Rose Dry

Pleasantly fruity and brisk, this rose dry wine was made from a selection of ideally ripe Pinot Noir, Shiraz and Tinta Roriz grapes grown within the Portuguese wine region of Lisboa. It stands out for its generous bouquet of red fruit and hints of apple. An excellent aperitif, it will also generously add to all sorts of salads, pasta-based foods, sushi and Indian, Mexican, Chinese, or Thai recipes. Serve at 8-10°C.
