Aurvin Premium Quality Pinot Grigio

White Semidry

This is a white, semi-dry wine made from the carefully selected Pinot Grigio variety grapes grown within the vineyards of southern Moldova in the Vulcanesti region. It is characterized by its straw colour with golden highlights and fruity bouquet with distinctive notes of citrus on the palate. Incredibly refreshing wine of ideally balanced levels of sweetness and acidity to make an excellent pairing with all sorts of white meat-based foods, fish and salads.
