Passiamo Primitivo Puglia IGT

Red Semisweet

Careful and unique fermentation made it possible for this wine to enjoy its generously fruity notes – distinctive cherries and stone fruit. A perfect balance between sweetness and acidity. Smooth and round on the palate with soft tannins. At its best when paired with hard cheese, roasted pork, steaks, and game-based recipes. All sorts of desserts and sweets will also find it a splendid companion. Serve at 16-18°C.
