White Doktor Chardonnay

White Dry

The wine was created from carefully selected, top-quality grapes that are hand-picked in the south of Moldova, within the boundaries of the Etulia micro geographical area. Pale yellow in color, in the bouquet we find compositions of aromas of white flowers and citrus fruits. The taste is fresh and balanced with hints of citrus and lilac flowers. Best served at 10-12 °C accompanied by light salads, chicken and soft cheeses.
