

Toscana

Toscana Sangiovese IGT Chiantigiane

Red Dry

An excellent IGT class wine from the viticulturally renowned region of Tuscany. This wine was made from Sangiovese grapes to display its beautiful, ruby colouring and fruit-soaked bouquet with distinctive notes of cherry and a pinch of violets. Oak aged for six months to add to its round finish with a vanilla touch. At its best when paired with all sorts of starters, cheese, pasta-based recipes, and red meats.
