

Bjorn Glogg

Red Sweet

Glögg is a kind of mulled wine from Sweden. It is traditionally served hot with raisins and almonds. Björn Glögg is a hot delight, wrapped in sensational spicy flavours to enjoy on frosty, winter days. It is recognised for its unique taste built around distinctive flavours of vanilla, cardamon, clove, cinnamon, ginger and orange peel. Glögg's heating temperature should not exceed 60-70°C. An ideal choice to be enjoyed on its own or to pair all sorts of sweet cakes and pastries.
