

Ponte

Ponte Portugal Arinto Fernão Pires

White Semisweet

This wine was crafted from Fernão Pires grapes, the most common variety in the south of Portugal, and Arinto grapes that are grown across Portugal. It will delight you with its clear, light, straw colour and captivating, intensely floral aromas with hints of tropical fruit and balanced flavours highlighted by a pleasantly sweet aftertaste. A perfect choice to pair all sorts of cakes and sweet snacks. Serve at 10-12°C.
